PRESIDENT'S MESSAGE

Happy St. Patrick's Day and welcome spring!

Whether this is your busy season or a welcome slow time, I hope you find time to get outdoors and enjoy the wonders of spring bulbs poking their heads from the wintery ground and trees budding. It's a wonderful way to lift your spirits and add energy to the day.

Planning for Rocky Mountain Area Conference is under way. The conference will be held Thursday and Friday September 25th and 26th. There are plenty of tasks to share and your help will be greatly appreciated regardless of the amount of time you can commit. For all who attend, you know the quality programming and excellent presentations on conference day. Join the group that come together to organize the event. You'll develop marketable skills in organizational planning, team building, effective communication, and networking. Be sure to

contact Brooke Mooreland and let her know your interests.

The annual rosters were mailed to members this month. Roster chair, Becky Skougstad redesigned the document this year to include more information and improve use. The new format adapts well to being hole punched if that works better for you, and there is plenty of room for notes and reminders. Let us know how you like the changes. Be sure to note the listing of upcoming meetings. In today's demanding business world we are constantly facing overwhelming schedules. This month's program will address these issues. April brings our presentation of awards to outstanding women accountants in this year's graduating classes. I hope you will all attend to congratulate these outstanding students and welcome them to our professional organization. I look forward to seeing you at the monthly meetings. Network with your peers, welcome new members and share your energy.

Peggy
